MGreen Productions rebrands; closes Statesboro office

MGreen Productions and MGreen Creative now part of MiQuan Green Enterprises

SAVANNAH, GA. (Jan. 15, 2021) - Savannah-based MGreen Productions and Statesboro's MGreen Creative Hub are now part of a larger entity: MiQuan Green Enterprises.

According to a statement from President and owner MiQuan Green, "With the immense growth we experienced in 2021, we were given the opportunity to take a step back and reevaluate our current business plan to ensure continued growth in years to come. During this process we made the difficult, but necessary, decision to close the MGreen Creative Hub location in Statesboro. We are excited to continue serving clients across the Southeast through our principal office location in Savannah."

Bobby NeSmith, who operated MGreen Creative Hub in Statesboro, will continue in his role as Lead Sales Executive. "While my office will be in Savannah, I'm still a long-time resident of Statesboro and Bulloch County," NeSmith said. "I am invested in this community and I'm excited to build relationships with new clients and continue serving existing ones."

In addition to these changes, Green announced the launch of MGreen Staffing, a direct-hire staffing division of MiQuan Green Enterprises. "By expanding to offer [these] services, we look forward to working with citizens, businesses, and organizations throughout our community to build better futures," he said.

*MGreen Productions, MGreen Creative, and MGreen Staffing are all divisions of
MiQuan Green Enterprises, LLC.*

MGreen Productions was voted Best of Georgia® by Georgia Business Journal in 2021.

*MGreen Creative (formerly MGreen Creative Hub) was nominated for
Statesboro Magazine's "Fabulist" in 2021.*
